

How to complete Assignments on Century – Pupils and Parents

1.

Once you have logged in, you should will see this screen.

2.

Under Due Assignments, click the assignment you wish to begin.

3.

Choose your learning material – This will usually be CENTURY Explains Video

4.

Make sure your volume is on and click play. *Have a pen and paper ready too!

The screenshot shows a video player interface. At the top, the title is "Rounding to the nearest 10, 100 and 1000" with a "My Recommended Path" label. On the right, there's a "Learning Material" section with "CENTURY Explains" and "Video" selected. Below that, a progress indicator shows the current video is "Rounding to the nearest 10, 100 and 1000". The main video area is a yellow background with a play button in the center. A red box with the text "Click play" and a large red arrow points to the play button. A "LEAVE FEEDBACK" button is visible in the top right corner.

5.

**Follow the instructions as you watch the video.
You must watch the video until the end.**

The screenshot shows a video player interface with a "Question" slide. The question is "Round these numbers to the nearest ten." and lists three numbers: 88, 72, and 225. Below the numbers is a number line with tick marks. The number line is labeled "less than 5 round down" with a downward arrow and "5 or more round up" with an upward arrow. A "YOUR TURN" graphic with a megaphone is on the left. The video player controls at the bottom show a progress bar at 2:04 / 6:29, a volume icon, a play button, and a "1x" speed control. A "LEAVE FEEDBACK" button is in the top right corner.

6.

When the video has finished click the blue arrow to begin the assignment.

7.

Answer the question by selecting the option or typing the answer. Then click **SUBMIT ANSWER**. If you don't know, then click " I DON'T KNOW"

8.

Then click next question. At any point during the quiz you can click re watch the Video or look at the Remember Card.
