Action	Intended outcome	Estimated impact: Did you meet the success criteria? (Include impact on pupils not eligible for PP, if appropriate).	Lessons learned (and whether you will continue with this approach)	Cost
RAP to observe lessons with Head and Deputy.	All lessons observed to be good or better.	Not all lessons observed were good. Gaps did not narrow in reading for progress and maths for attainment.	We need to use a more challenging lesson observation method.	£8,055

Action	Intended outcome	Estimated impact: Did you meet the success criteria? (Include impact on pupils not eligible for PP, if appropriate).	Lessons learned (and whether you will continue with this approach)	Cost

Attainment- reading gap narrowed by 8%, writing gap narrowed by 1%, but maths gap increased by 2%	Staff are keen to continue, but the impact needs a careful review next year.	£35,297
