Save the date to celebrate heritage

Under the theme of Active Heritage, **we invite you, your family and friends to join us** to discover more about the amazing arts, culture and heritage opportunities and benefits on our campus and across the region.

Activities include puppet making, dancing, traditional arts and crafts, campus heritage trails and historical re-enactments, there is something for everyone. Representatives from many local heritage organisations and community groups will be on-hand to bring our heritage to life, and to offer careers advice for those looking to enter the heritage and cultural sectors, as well as signposting to volunteering opportunities.

All are welcome. Oh, and keep an eye out for the dragon!
