Head Teacher: Claire Cooke

Deputy Head: Charlotte Williams **Business Manager:** Alison Simpson

Dear Parents and Families,

Thank you for the fabulous support you have given me in my first week at Folville Juniors. It has been incredible to see all the children in their school uniform and ready to learn.

I have met many of you at the school gates this week and if you haven't said hello already please do come and say Hi and introduce yourself. If you do have any concerns or problems its best to contact me via email to the school office or if you wished to leave a message with the office and I'll get back to you.

This week we have focused on introducing our expectations to our children. It has been wonderful to see how well they have taken them on board and meeting them this week.

From next week we will be making some slight changes to our behaviour policy. We tackle behaviour problems through the restorative approach where children have a chance to tell us what happened and we can help them solve their problem.

From Monday, children will receive a **'behaviour log'** if they have problems with their behaviour. This is simply a note on our systems to say what has gone wrong. Parents will also then receive a phone call from the class teacher to talk to you about this. If your child receives three behaviour logs in a term they will receive a report card. This will come home to you every day so that we can work together to improve behaviour. If you do have any questions about this, please speak to me at the gate or your class teacher.

With Best Wishes
Mrs Cooke
Head Teacher
